I was a little...  
disappointed

but I made up  
for it with my  
imagination

and decided to  
keep on going.

You  
were fast  
today  
as well.

Really,  
Michiru?

Of course!  
Even from  
the bus.

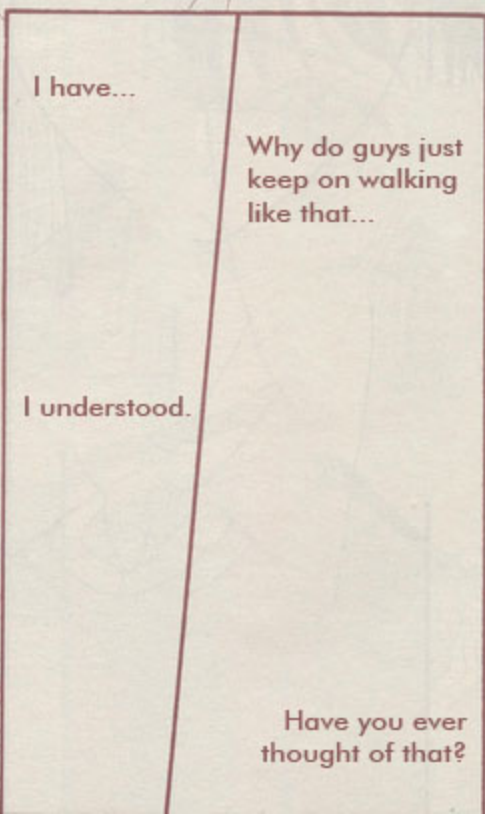

R  
U  
K  
A  
!

You're not only  
fast on the bike,  
but when you  
walk as well.

You just keep  
on going, just  
like a guy.

I have...

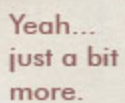

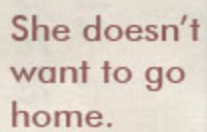

Why do guys just  
keep on walking  
like that...

I understood.

Have you ever  
thought of that?

Still  
playing,  
Michiru?

[illegible]

Do you practice any sport?

YOU'RE  
WEARING A  
JERSEY

This is a  
Nishi  
High  
uniform,  
isn't it?

Wanna  
play with  
us?

We're  
really  
good  
at it.

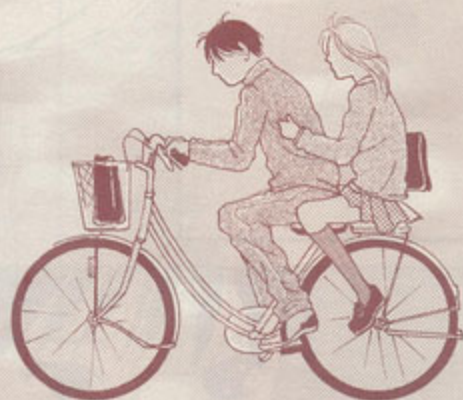

MICHRU

What's  
up with  
her!?

OUCH!

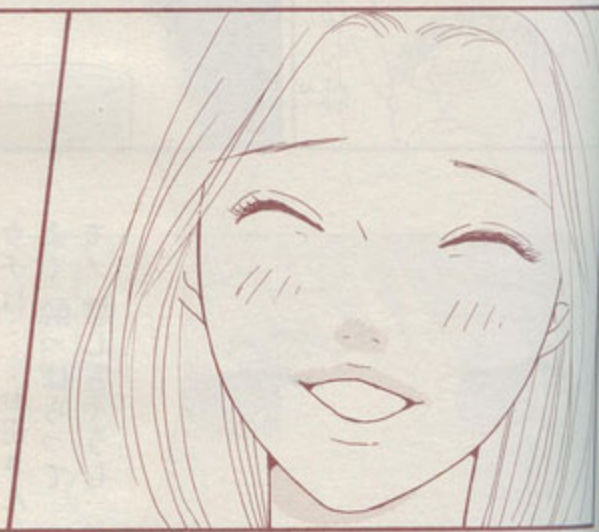

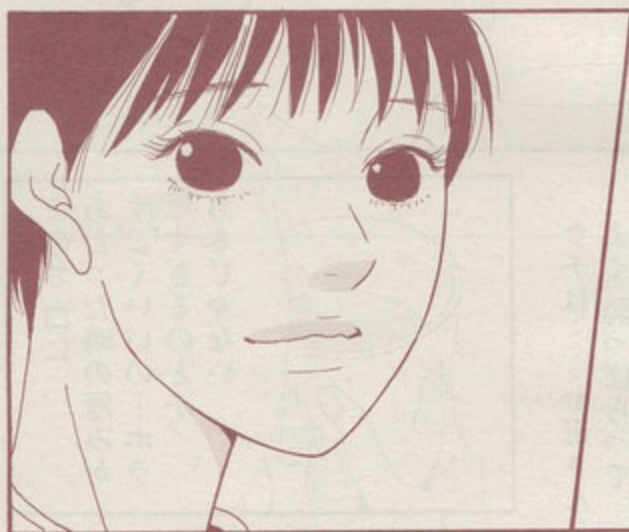

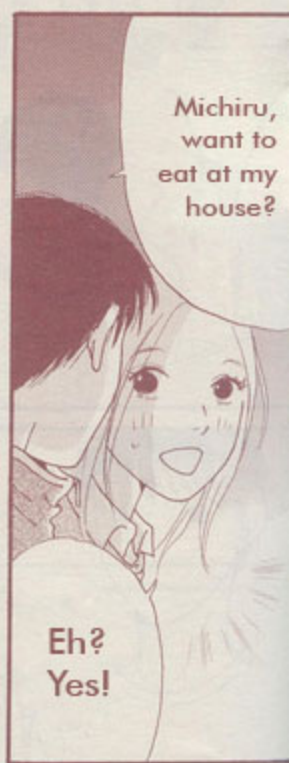

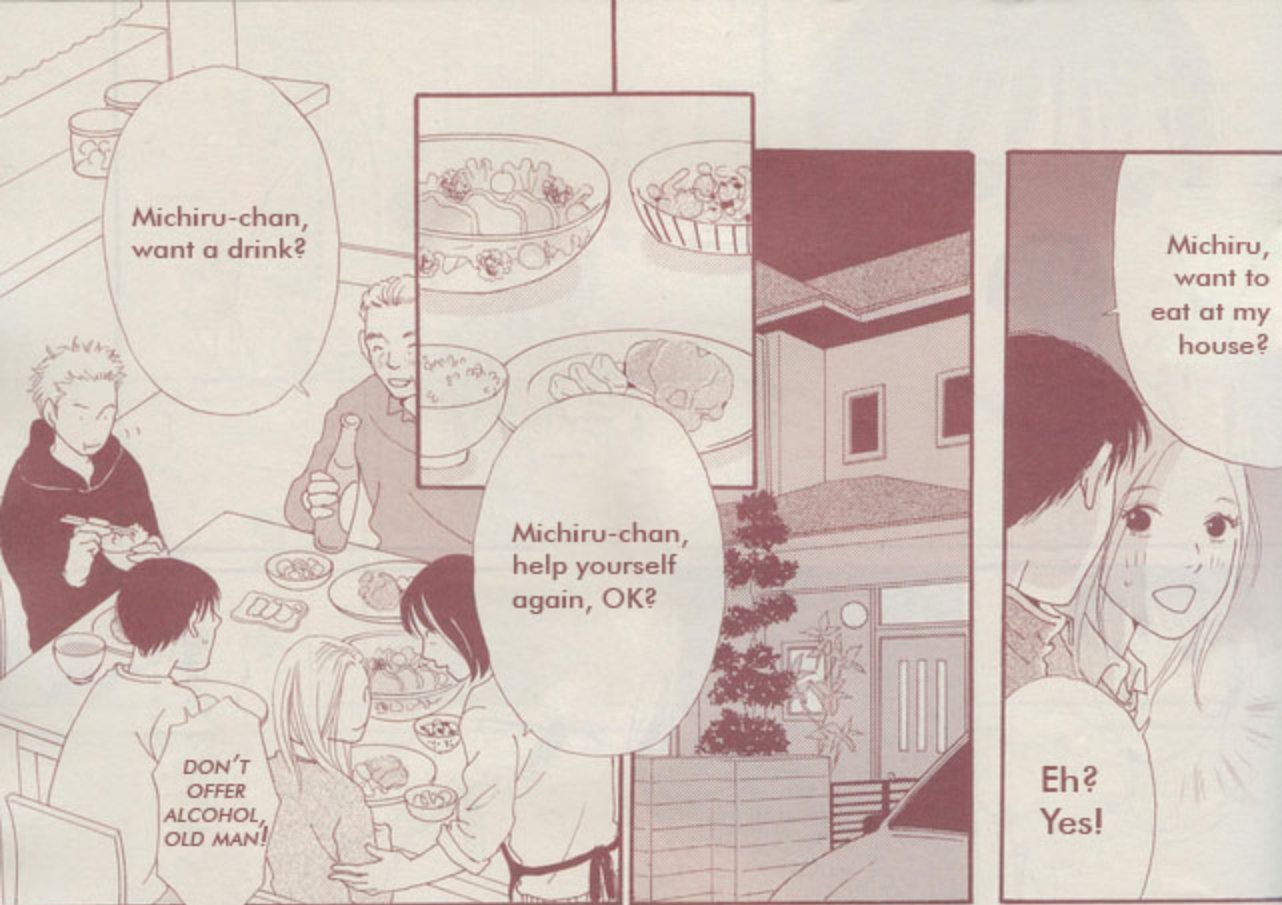

I'm so  
hungry  
~

My heart  
is jumping...

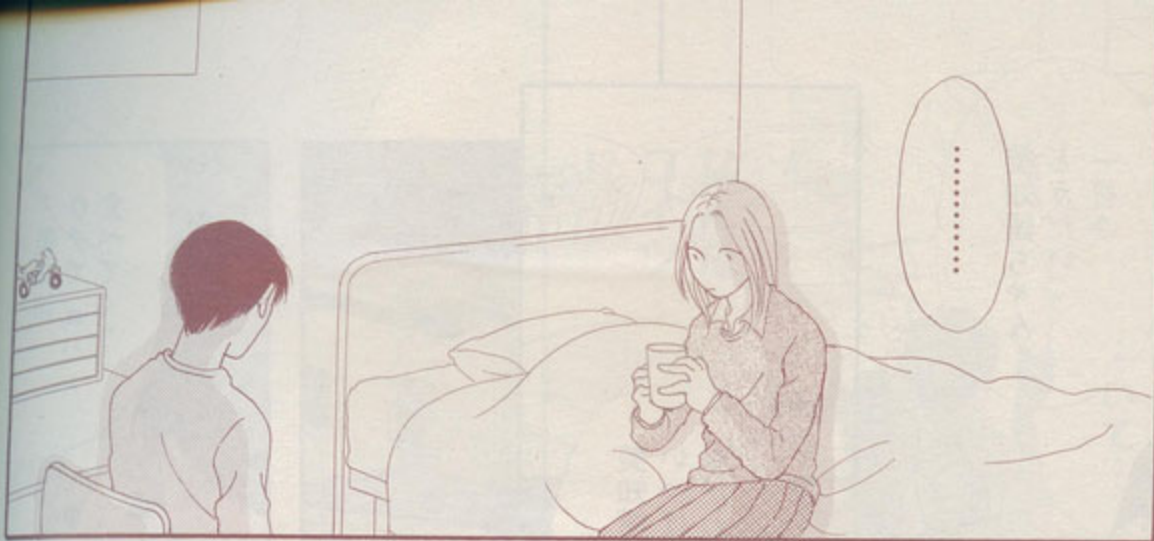

but that was  
fun.

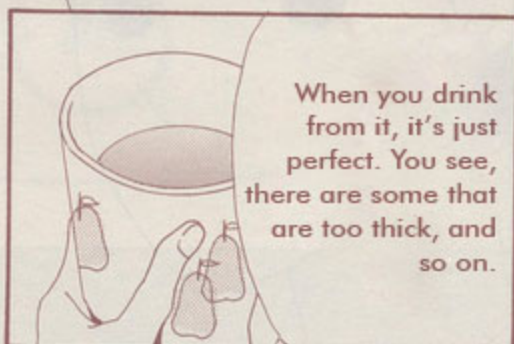

This mug of yours is nice.

At home, mom  
often gets drunk...  
and ends up  
breaking  
things.

When you drink  
from it, it's just  
perfect. You see,  
there are some that  
are too thick, and  
so on.

It matches  
your  
house.

Really?  
My mom  
bought it...

I think it's too  
fancy for me.

It'd be a pity if  
it were at my  
house.

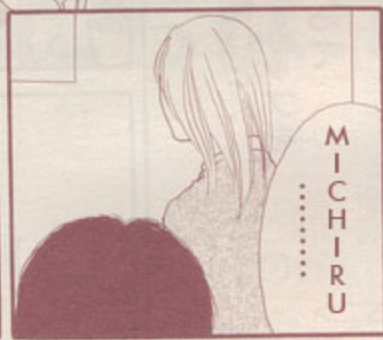

Anyway, I  
need to  
get going.

Your  
dream,  
Ruka.

M I C H I R U  
.....

I hope it  
comes true  
soon.

On the way home, let's buy you a mug that you can keep at my home, Michiru.

I'll tell Michiru when I see her.

It seems they had a huge debt or something.

... I've heard that's why they ran away at night.

That's how...

you disappeared from my sight,

Michiru.
